

6.2 SKY FITTINGS

At Sky Trading, we offer a wide range of fire fittings used to connect pipes and other fire protection equipment. Our selection includes **iron pipe fittings** and **cast iron pipe fittings**, all designed to endure the tough conditions of fire fighting.

Features

- > They are suitable for all types of buildings, including commercial, industrial, and residential properties, and are ideal for high-risk areas like warehouses, factories, and schools
- > These fittings are made from high-quality materials, ensuring durability and reliability. They are easy to install and maintain. Available in various sizes and types.
